

AKRON WARDROBE

Akron wardrobe is basically an all-in-one type of product. It has outstanding features with all the functionality you need for your bedroom. Its size (200cm H x 144.6cm W x 60cm D) is perfect to fit most rooms, providing a lot of closet space but without taking much of your room. Three spacious drawers are perfect for your undergarments or small accessories. On the right side, a one-door cabinet with an interior hanging rod will give you great space to hang your clothing. Made of particleboard.
