LEXON EXECUTIVE DESK

The Executive desk takes on a concise magnificent shape on the whole. Dark colors manifest the temperament of wisdom and calmness, The remarkable bearing of having all things in control and planning victory in advance all the time. The entry leather surface and comfortable touch enhance user experience, and fully reflects texture and style.

Aston Glass Panel Workstations

As more collaborative furniture is integrated into the office environment, remanufactured glass panel workstations have proven to be the smart choice for companies that are upgrading their interiors. Glass panel workstations allow natural light to flow through the area while creating a structural barrier that gives the employee the feel of their own private space. Glass can be clear or frosted. Panels can be covered with fabric or hard surface laminate. Clear and frosted glass stacking partitions are available that add a modern luxury look to the workstations.

Aston Workstations

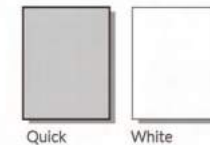

We believe the only way to provide the best office furniture solutions is to ensure they're the best products for the environment. That's why every step of the way – through design, manufacturing, delivery and product lifecycle – we consider the impact of our work on people and on the environment and uncover opportunities to make things better.
