

DAFFNY CHAIR

Daffny Chair has a traditional rolled arm design that complements a variety of home styles. It's built on a solid wood frame and features a squared tight back design with tapered legs for added traditional appeal. The fabric upholstery is filled with foam for just the right amount of give that bounces back. You can remove the seat cushion and its cover to help make cleaning a little easier.

Features

Hardwood frame construction for added strength Ideal for small space living Works great in offices, bedrooms or living rooms
