

TEANA CHAIR

Teana chair

This chair will make a statement in any room of your home, it is to set a sophisticated scene in your living room With this classic accent chair. The fabric upholstered piece has a classic design with low-rise arms, and the tufted backrest with single-piece nailhead added texture and a refined finish. Solid wood legs in dark espresso finishes contrast nicely with attractive fabric. Generously padded cushioned seat makes this chair as comfortable as it is elegant that you'll love the polished look and comfortable seating option this piece adds to your living space. Perfect for entertaining or a relaxing fireside evening or just a chair to lounge around in.
